Disaster Preparedness

From
the People of Japan

This beautiful book is a collection of stunning artwork created by talented students from Kathmandu Metropolitan City. The artworks were gathered from students in Ward No. 15, 17, and 27, making this book a true showcase of their creativity on disaster preparedness under the project titled “Community-based Disaster Response and Management in Kathmandu Metropolitan City (KMC). To bring these artworks together, we organized a one-day workshop entitled "Art Workshop on Community Awareness Activity on Disaster Preparedness" in each of the three wards. The workshop took place at Annupurna Secondary School in Ward No. 27, Kanya Mandir Secondary School in Ward No. 17, and Shree Geeta Mata Secondary School in Ward No. 15.

We want to express our gratitude to the following schools for providing talented students whose art is featured in this art book collection: Durbar High School, Sanskrit Secondary School, Annupurna Secondary School, Brihaspati Vidhyasadan, Savyata Pathshala, Little Angels School, Om Education Academy, Kanya Mandir Secondary School, Small Haven Boarding School, White Field Secondary School, Shree Balbikash Basic School, Dallu Aawas Bidhyalaya, Maitri School, Shree Geeta Mata Secondary School, Buddha Jyoti Academy, Modern Nepal Academy, New Arunodaya English Secondary School, Supreme Shiva Baba School, The Sunshine Boarding School, Triratna Aawashiya Bidhalaya, Shree Janasudhar School, and Swornim School. We would like to thank our facilitator Ms Kripa Tuladhar and Disaster Management Committee (DMC) and ward for their coordination and support.

This collection of artwork aims to raise awareness in the community about the importance of disaster preparedness, specifically addressing the local hazards. Each piece of art serves as a reminder of the need to be ready for emergencies and to protect our community.

ABOUT PROJECT

The government of Nepal has planned and process for disaster preparedness, disaster response, disaster reconstruction and rehabilitation action, and disaster mitigation. In order to support government policies, we have identified the need to support DMD in equipping the staffs with the knowledge on community-based disaster management based on “Sendai Framework for Disaster Risk Reduction” aligning Nepal Disaster Risk Reduction National Strategic Plan of Action (2018-2030) drafted by the Government. As a result, this project aims in preparing and mitigating disaster in Nepal through close coordination with working wards which will assist in improving the community-based disaster response from community level. It's also possess significance strategies set out by the Nepal's government by implementing a project to conduct technical transfer of Japan's knowhow on community-based disaster response thorough close coordination with local bodies and capacity building of Kathmandu metropolitan City's Disaster Management Volunteers.
